# INFO KIT

## REQUIRED FORMS

**Registration and Health Forms** in this information kit are required to complete your registration. These forms must be submitted **at least 1 month in advance** of the program start date once duly filled and signed. After separating the completed forms from the specified cut lines, keep a copy of the document and send the original to Space Camp Turkey.

The participant shall keep the "General Information" section.

### Health/Registration, Parental Consent Forms and Clarification Text:

- These forms must be signed by the camper's parent. The camper will not be allowed to start the camp program in the event of unsubmitted or unsigned forms.

- At Space Camp Turkey, there are simulators that allow participants to experience a tumble or spin about a vertical axis as well as require physical effort to use. Duly filled health information is of great importance for the safe use of our simulators, along with dormitory and meal planning. Therefore, please take extra care when filling in the health information.

You may send any information that you believe may be useful for the camp management regarding the health, physical, emotional, and behavioral state of the participant to [saglik@spacecampturkey.com](mailto:saglik@spacecampturkey.com)

## MEDICAL INFORMATION

All prescription medications, vitamins and herbal products will be collected and administered by the nursing staff. Children are not permitted to keep any medications with them. They must be in their original container with the original label in order to be dispensed. They are given as directed by the label on the bottle, not how child states he/she takes it. Space Camp Turkey's physician will plan an appropriate medication treatment with written consent of the parents unless there is a prescription or instructions from the parent.

## VISITS

- We do not advise visits unless there is an emergency to make sure the kids can have an independent experience away from home. The ID information of the person/persons who will be visiting the camp and/or picking up the child from the camp after the program ends should be provided in advance.

- We would be more than happy to see the parents attend the graduation ceremony at the end of the program.

## PHONE CALLS

Children are not allowed to make or receive personal phone calls during the camp session, unless it is an emergency. We recommend family members call their children between 7 – 8 am or 10 – 11 pm for **Outer Space Adventure, Astro-Adventure, Semester Space Explorers, Minecraft New Horizons and Journey to Mars** programs, and between 8 – 9 am or 10 – 11 pm for **Summer Camp** programs. Children will have opportunity to call home using their own calling card or cell phone. Please be aware parents may not hear from their child every day. Make sure the children have the phone numbers of the family members with them.

## IMPORTANT PHONE NUMBERS

Girls Dormitory: +90 (232) 252 46 85 ext. 332-333

Boys Dormitory: +90 (232) 252 39 29 ext. 337-338-339

Switchboard: +90 (232) 252 35 00

## ACCOMMODATION

Male and female campers are housed in separated dormitories on different floors in the Space Camp building. Each dormitory accommodates 24 children in bunk beds. Sinks, private shower stalls and private toilets are adjacent to each dormitory. Counselor rooms are located adjacent to each bay. Being accommodated at Space Camp Turkey facility as an integral part of the program.

**Note: Male and female participants will be accommodated in separated dormitories for the Family Space Camp program as well.**

## TRANSPORTATION

We kindly request you to plan your transportation to and from the camp in accordance with the check-in/check-out times of the program. If requested, round-trip transportation between Izmir International Adnan Menderes Airport and camp may be provided by Space Camp Turkey uniformed personnel for the individual participants who are not accompanied by an adult. If your transportation schedule does not match the check-in/check-out times of the program, you may request an extra meal. This should be coordinated with reservation department in advance.

.....

**Diet restrictions:**.....

.....

ALL prescriptions, over the counter medications, vitamins and herbal products are collected and administered by the nursing staff and MUST be in sufficient amounts (also in reserve) and in original containers with labels and **dispensing instructions in English from either the physician or parent.** If no dispensing instructions are included, then a Space Camp Turkey physician will determine the necessary dosage and treatment with **written approval of parent/guardian.**

We are extra careful about preparing meals for your children. We work closely with ESBAS Food Services, which operates according to the International Organization for Standardization (ISO) 22000 Food Safety, management system regulation. We strictly adhere to parent requests for serving special dietary meals to their children. However, please keep in mind some food prepared by ESBAS may possibly contain traces of allergens. Such substances can originate from (and or not limited to) cereals and products containing gluten, crustaceans, fish, eggs, peanuts and other nut products, soybeans, dairy products, celery, mustard, sesame seeds, sulfur dioxide, sulphites, lupine and molluscs. We always screen special dietary meals before they are served to campers. However, parents and guardians need to be aware that if their child has an unforeseen allergic reaction to their food, Space Camp Turkey and ESBAS do not assume responsibility or liability for any such incident.

*Note: Seafood, pork and turkey meat are not served in our camp.*

Children maintain a vigorous pace from 7 am to 10 pm. Children with cardiac conditions, severe pulmonary dysfunctions, sensory handicaps or chronic illness may not be able to participate fully in the program.

**You may send any information that you believe may be useful for the camp management regarding the health, physical, emotional, and behavioral state of the participant to [saglik@spacecampturkey.com](mailto:saglik@spacecampturkey.com) .**

**All medical information provided is correct, complete and up-to-date and I accept full responsibility for any pre-existing medical conditions that may occur during the program. I verify that (Participant's name, surname) ..... does not have a contagious or chronic illness, allergy or any physical disability that will prohibit him/her from attending the camp.**
